

## CCC Singers --

- 1) Below are the directions again for Clare Estate in Bordentown and the call time. Be sure to let Ruth Badryka know if you are planning to go to the **Wisdom Diner afterwards** for a time of hanging out and celebrating together. Her e-mail again is: rdbptedm@verizon.net
- 2) Saturday morning 9 – 1 is a **workday at AUMC** to clean up their property. They will be spreading mulch and ask for workers to bring a shovel and/or a wheel barrow. I am hoping that some of our singers can stop by to help out and say thank you to the church members for their generosity and kindness to the CCC!
- 3) Postcards – If you have **leftover postcards** that you will not be using to promote the remaining concerts, please bring them with you to pass on to others who may be able to use them. We need to put a push on to get people out to the Millstone & Sand Artist concert now!
- 4) New Poster – Lee is designing and copying a **new color poster that focuses on the Millstone** concert. Please see him Friday night to get some to put up in your area! Thank you for working together to get the word out. The message of Center-Peace is too valuable not to get people there to hear!
- 5) There will be a refresher rehearsal on Friday, May 2<sup>nd</sup>, 7:30 AUMC to review the music and to work our singing quality. It will be important to attend this. Please mark your calendar.
- 6) We have been invited to sing on Sun., 6/1 at AUMC's 11 a.m. worship service. Please let me know if you will plan to participate.

*Below are e-mail messages that have come in to me about your concerts last Sunday. Congratulations on an exciting opening day! May God bless the upcoming concerts and bring out an audience to hear your beautiful message!!!!*

What a great concert and what a great sound. It reinforced for me just how much I miss being with all of you, my second family and singing the Lord's praises. Last night was the first time that I had been out of the house since March 13th and hearing you all last night made the wait worth it. My Mother-in-law works at Claire Estate and will be at the concert so I'll probably see you there. Sincerely, Joe Caruso

I didn't get a chance to tell you both before I left but the concert was excellent!! What a great theme and I felt so at peace listening to the whole concert, so did Michael and Steven. We enjoyed it very much. Kathy Valentino

I felt that both concerts went so well, and I enjoyed singing at both. My family was there and 3 of my dear friends who ALL said it was the best one ever. Some tears were shed by them all and almost for me too, the music is so meaningful and wonderful. My friends couldn't get over how getting on and off flowed and asked "How do they do that" it looks so easy they said, but they know its a lot of work. So everyone was happy. Thanks for a great concert. Peg

The concerts were a blessing. I am so grateful to be able to be a part of this great choir. Polly

It was an AWESOME night!!!!!!!!!!!!!!!!!!!!!!!!!!!!

The concerts were beautiful. I spoke to one woman who was saying, "I wish I could get them to come to my church!" It was her first concert. People were very touched. Another gentleman told me that it was a good reminder to him on where his focus needs to be....Christ. Barbara

The concert was wonderful and very inspiring. -shauna Catania (Nia's mom – Grace Note)

The [concerts] are truly creative blessings and we ALL enjoy them, both audience and participant. Everyone I spoke with expressed true appreciation and exclaimed how beautiful the concert was. Thank you so much. Judy

I really enjoyed the concerts - just beautifully done!!! Vicki

Alan and I were inspired again by your CCC/CCCC concert on Sunday. Our neighbors were impressed of course! Susan

What a great experience this past weekend. Although the heat was tough for me, I had a great time singing with the CCC. Steve

The Project Freedom offering was over \$1,000.00 !
