WHO WE ARE

CHRISTIAN CENTER

FOR THE ARTS

Establishing a CCA has been a vision of the choir and this summer camp is another step toward developing that vision.

CCC

The Community Christian Choir was established in 1995 by Patricia K. Weitz, founder and director. The choirs have grown from an original adult choir of 18 to a current membership of 50. In 1996 a children's choir was started. The children's choir has grown from 20 to a current enrollment of 93 children. CCC is a bona fide 501(c)3 non-profit charitable organization registered in the State of New Jersey. CCC presents 3 -5 concerts each season. Usually there are two seasons each year. All concerts are free to the public and free will offerings taken during the concert are donated to different charities. To date CCC has collected and donated over \$142,000.00 to well deserving charities and people in need. This will mark the fourth summer CCC is offering Theater Arts camps and the third for Techno camps.
